Dear Parents,

The students have been working hard to prepare for our annual Christmas program. The Christmas program begins at 7 p.m. tonight. TK-3 grade will need to be picked up directly from the church after the program. Grades 4th-8th will be dismissed from their classroom. Please remember there will be no supervision until that time.

8th grade students should go to their homeroom at 6 p.m.

Dress Code for the evening is Christmas Church Attire.

Please listen to the instructions at the end of the program. Younger students will need to be picked up in their homeroom following the performance. Middle school students can meet parents at the reception in the Hall.

See you tonight!

8th grade buddies shared a special moment with the Kindergarten class. Santa letters were delivered!

Athletic News**In Basketball News....**

The NB CSL Tournament has been exciting from the start, bringing both tears of sadness and joy.

While the 8th grade girls battled hard and with heart, they were not able to seal the victory to move onto the tournament final. We look forward to watching them come back with tenacity and triumph in tournament play when we start the New Year. Great effort girls!

It is safe to say the 8th grade boys are on a hot streak! They took a nice lead in their first play-off game against St. John's Napa and never gave up, even when St. John's came back to tie the game late into the 4th quarter. It was a nail biter with the Shamrocks winning in the end.

The boys took their momentum into their second round play-off game and once again came out victorious, winning with command and qualifying for the tournament **Championship to take place this Saturday at St. Rose at 1:00pm.** We can't wait to see what happens!

The 7th grade girls played well on both sides of the ball to secure a victory against St. Eugene's this past Monday night. This win takes them into the **Championship game at St. Rose this Saturday at 11:45am.** These girls have played well all season and look forward to seeing how their season ends!

The 7th grade boys battled hard to win their first play-off game against St. Rose to advance them to the next round. Their second play-off game saw the boys struggle a bit in the first half, but come roaring back in the second to go up by 4 points. As the final seconds ticked off the clock the boys could not overcome the 2-point lead from a tough opponent. This team has played so well this year and we know their 8th grade year will bring many smiles, laughs and victories. Great effort boys!!
